

VALUE FORKLIFTS COMPANY PROFILE

Established in January 2020, Value Forklifts was founded with the mission of delivering affordable and dependable forklift solutions to small, medium, and large companies. Our goal is to enhance operational efficiency without burdening businesses with unnecessary costs.

With a cumulative experience of over 30 years in meticulously curating our inventory for optimal quality and pricing, coupled with our profound industry knowledge, Value Forklifts is dedicated to guiding you in selecting the most suitable product for your application. We ensure that the forklift you choose not only meets your immediate needs but also endures for years to come, all while offering the best value.

What truly sets us apart from competitors is our commitment to customer satisfaction through our comprehensive warranty coverage for every forklift. This guarantee ensures reliability, cost-efficiency, and our unwavering support throughout the warranty period.

Moreover, Value Forklifts boasts the most efficient freight network in North America, South America, and the Caribbean. This extensive network contributes to our large and satisfied customer base across these regions, reinforcing our reputation as a trusted provider in the material handling industry.

Best regards,

Andy Decker
